## **AUSTRALIA – DOWN UNDER**

From June to August each year, we hunt Monster Trophy Water Buffalo, Banteng, Scrub Bulls and Wild Boar in the Northern Territory, Australian Outback. Your pickup and return point is Darwin Airport. You will be welcomed at the airport and driven to the hunting area. The Australian Water Buffalo are aggressive and dangerous, living in wet, swampy, mud wallows, feeding into nearby grasslands. All hunts are free range. Our Water Buffalo hunting concession combines a remote privately owned 1,500 square mile cattle station. Our Australian Outback Water Buffalo hunting camp is located on the banks of a local river with majestic views. It is a very relaxing and calming spot which is a beautiful place for the non-hunter, as well as the hunter to relax while on a great safari vacation. Each Hunter, or couple, will have accommodation in their own private tent with comfortable twin, queen, or king size bed. Our camp manager attends to your every need, from laundry service to specialized meals. If you have dietary requirements, please let us know and we will cater to meet your needs. A firearms license is required for hunting with any firearm in Australia. Bow hunting is also allowed. To enter Australia, you must have a tourist visa.
